INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

App. No. 8135. Misc.

Ida Sanders, being duly sworn, deposes and says:

My name is Ida Sanders. My age is 36 years. I was born and raised in Tahlequah. I live at Tulsa now. I got the bread and strip payment. I was enrolled by the Dawes Commission, Cherokee 29502. I claim to be a full-blood Cherokee. I get my blood from both parents. My mother's Cherokee name was Chaw-a-yu-ca I think she lived in Flint District, or Tahlequah. She died in Tahlequah District. I don't know where she lived in 1851. Her English name was Mary Campbell I have been told. I don't know any brothers and sisters that my mother may have had. She had a half-brother or cousin who was called Wilson Coffey. I believe my mother had a sister named I-yu-ca. I don't know in what District she lived. My mother's name was Nellie, and I do not know of any other name she may have been known by. The old lady who told me about them is dead, but she was a sister to Nellie and her name was Polly. Iu-qua was my aunt. My mother's father was Oo-noo-yah-ha. ~~Ou-nelah~~ Ou-nelah or Ah-ne-lah was my great-grandmother on my mother's side I think. I had an uncle named Oo-lah-hil-la. They were not Old Settlers. I think my mother was enrolled in 1851. I was but two years old when my mother died. I never associated with any other tribe of Indians than the Cherokees. My father was Wm. Triplett and he claimed to be full-blood. He is living. He lives in Tahlequah. He was enrolled by the Dawes Commission and got the bread and strip money. I don't know whether he was enrolled in 1851, nor any reason for his not being. He is not an Old Settler. I never heard of any of his people being Old Settlers. My father's application is #6062. His Indian name is Ca-ga-a-les-ke. I don't know any brothers and sisters of my father. I don't remember my grandparents on ~~mother~~ my father's side. They never associated with any other tribe of Indians. I think my mother was a small child when she came to this country.

U. S. Court of Claims,

Washington, D.C.

Gentlemen:-

I herewith enclose certified copy of Letters of Guardianship issued to me by the County Court of Rogers County, Oklahoma, as the guardian of Lillie Oldfield, or Lillie Ofield, a minor, who is entitled to participate in the eastern cherokee fund arising from the judgment of the Court of Claims of May 28, 1906, and who appears on the official roll prepared Hon. Guion Miller, and who appears thereon as Lillie Oldfield, and whose roll No. is 20269, application No. 8161, and F.C.T. Commission No. 30120, and whose application was made and filed by J.C. Goss as her guardian. The father of said minor is dead, and I married her mother, and Mr. J.C. Goss was removed as her guardian and I was appointed in his stead, and am now her duly appointed, qualifed andacting guardian as will appear by thecertified copy of letters enclosed.

You will notice a discrepancy in the name as appears on the roll, and as it appears in certified copy of letters, but it is in fact the same minor. She appears on the roll as Lillie Oldfield, and the guardianship proce dings are in the name of Lillie Ofield, but you will also notice that she is the only person by that name enrolled, and there is no Lillie Ofield on the roll.

Yours very truly,

Dennis Galliee

Dear sir:-

I enclose herewith an affidavit from my self which explains its self, and I most respectfully call your attention the pages of the Pay Roll of 1852 referred to, and I am sure that you will find the names of the Grand parents of Mrs Rachel Danney Lindsay, their names being as follows.

Grand Father Cah-suh-ne,
Grand Mother Too-cah.
Mother Lily.

These will be found in Going Snake District Page 161 No 536.
Also you will find in Tahlequah District Page 14 No 148.
Cloud Tick string, and family consisting of
Rachel,
Oo-nah-chuh-stah,
Nancy,
Akey Tickstring,
Nakey Hildebrand,
Oo-hah-loo-kee. The last two were wards of Cloud Tickstring at the time of the payment, and I think the records will show that he drew their money.

Now it is possible that some little error might be made in mistaking a letter u for an n, or a for an o or something of this kind, for in many such cases mistakes are hard to avoid. You will find however, that Cah-suh-ne's name is not given on any of the rest of the rolls in this way, or at any rate, I have been advised to this effect by older people who seemed to know that he was known by the name of Christy Smith and some times called Smith Christie, and some times called Crapgrass Smith, and some times was called Christie, leaving off the other part of his name.
I was personally acquainted with him when he was known as Christie, and he was the nearest neighbor to my father when I was a child. I also know in person Mrs Rachel Lindsay the claimant to the estate of Cah-suh-ne. And know her to be the only living heir to his estate. and that of Too-cah her Grandmother, as well as her mother Lily, who is the only daughter of Cah-suh-ne, and Too-cah.
I hope that this information will be sufficient to help you get the case of Mrs Lindsay properly prepared.

Respectfully.

John C Duncan

Acting Commissioner of Indian Affairs
Department of the Interior.
Washington. D.C.

My Dear Sirs,

Your letter dated 26 Oct. reached me only five days ago at my home at Smiths Point. Chambers Co of Chambers Texas.

I came at once to Houston to find witnesses of my identity and to be sworn before Notary

I have filled out application blanks as I understood requirements. They are not alike because I do not know if I can claim only through my mother and 2nd Uncle Walter Ridge. 1st. 3rd through my grandfather Major Ridge who was killed, murdered as Head of the Treaty Party on the same day with his son John Ridge and his nephew Elias Boudinot 22nd of June 1839.

4th. Through my grandmother Mrs. Susannah Catherine Ridge who died 1st Aug. 1849.

5th. In my own right as born prior to 1851, on 23rd Sept. 1847.

6th Through my mothers children deceased born prior to 1851. Three of them, Emily A Susan Agnes and John Franklin, who all died

prior to 1851. Shiden mother and her heirs would of course be entitled to their shares if such exist.

My Mother Mrs. Sarah Ridge Paschal received a payment in 1852 in the Spring time (sum unknown to me) on her return Arkansas to settle up the estate of her mother and brother Walter Ridge lately deceased devided with the widow and seven adult children of her brother John Ridge.

She told me of this payment, citing it as her identification as a member of the Cherokee Nation, when I made application to Chief Bushyhead as an Indian for shares of lands and money for my Mother, Mrs. Sarah Ridge Pisc, myself and my two sons Forest Waldemar McNair, and George Paschal McNair.

Chief Bushyhead answered that only by removal to the Cherokee Nation and becoming residents could we establish our rights as Indians to to share in same.

That seemed a great injustice, as there were still Cherokees, whether resident or absent.

My mother told me of her receiving her share of the debt due under the New Echota treaty which were mainly demanded by her brother Julia Ridge from which he and his father Major Ridge (Cahnunntohclayy) and his nephew Elias Boudinot were murdered, and assassin

~~Ridge~~ Lead, by order of John Ross acting chief of the Cherokee Nation, who then declared outlaw all adherents of the Ridge on Treaty Party.

For years my father Judge Geo. W. Paschal represented the claims of that party before Congress and Presidents, as lawyer for the Ridge an Treaty Party ~~of~~ & Delegations of the Cherokees for loss and injury. The Delegations were composed of Stand Watie (Gen. Stand Watie C.S.A. nephew of Major Ridge, brother of Elias Boudinot — and of his brother in-law John A. Bell Jack Bell — and Edmund Starr who died in Washington D.C. the latter part of March or first part of April 1846, as my father's letters and bill in book show.

The letters before me refer to these claims and recollections of my mother's speech, which was always truth itself, have been the data from which I have drawn, and copying the records from the family Bibles and records in my possession. — I had many more letters and documents which were lost to me through the carelessness of my sister-in-law in whose house and care I left my trunks and chests ~~of~~ papers books stored in Washington D. C. The late Mrs. Sarah Martin Phillips (formerly Mrs. Mumy nee McNeir.

Ar tah cun stis key

I have reperred to my great grand father the last Hereditary Chief (or King) of the Confederated Nations of the Cherokees, Choctaws, Chicasaws, Creeks, and another, whose name I forgot now. They were the Five Civilized Tribes, over which he ruled with eminent power, hence the title of King as it amounted to that. Having no son the title became extinct at his death. And the Confederacy of those Nations was dissolved —

The fifth and youngest and favorite daughter of Ar tah cun stis key, Susannah Catherine (Bahtahee in the Marmaree Chinook mode that name) was married to my grand father Cunnunnah Clugey Major Ridge, her father's Lieutenant and adopted son or friend — He became Chief of the Cherokee Nation by election. And for his part in the New Echnota Treaty was conspired to death and assassinated in the State of Ar Kansaw near Evansville by hired assassins of John Ross, all those matters were only one sixteenth part Cherokee, and who had sold his part in the lands of the Cherokee Nation, now Georgia and removed to Tennessee, where he accepted land in compensation. He sold that and returned to the Cherokee Nation and stirred up dissentions against the leaders

of the Treaty or Ridge Party. fatally endeavoring their death to prevent exposure of misappropriations of funds paid him for removal of his party of Cherokees from the old Eastern Cherokee Nation. It runs in the Cherokee Nation West, that his plots ripened into acts of murder and assassinations. and Condemnation to Outlawry the leaders of the New Echota Treaty Party. To quote from "A Report of the Trial of Stand Watie. charged with the Murder of James Foreman, By George W. Paschal one of the Judges of the Supreme Court of Arkansas" The treaty party have there from since their beastly principal John A. Bell and Stand Watie to the Secretary of War, to solicit that protection promised in the treaty, and which they confidently believe the Government of the United States are able and willing to afford. They solemnly ask for redress for the murders of there friends, who have been assassinated without a warning, without a trial, and without a crime. They ask that there own lives remain not in jeapardy. They ask that the money due the Cherokee people under the treaty be not paid to a party who acknowledge not its sanction, destroy its framers, and yet with with their characteristic Cupidity, seek to appropriate its benefits to accomplish the ambitious purposes of there leaders"

The foregoing was at the conclusion of a document from the surviving members of the Treaty Party at a meeting at Prices Ferry in the Cherokee Nation on Tuesday the 20th day of August 1839. after the deaths of my Grand father, Uncle, and Cousin. It begins

Gentlemen.

"Whereas on the 22nd day of June last, our three distinguished friends Major Ridge, John Ridge, and Elias Boudinot were cruelly and inhumanly assassinated, and as we are informed and really believe, by an order of the partizans of John Ross in consequence of the deceased having Signed the Treaty of December 29, 1835."

Some of this letter may seem extraneous, and superfluous to the subject of my claim, as heir to my mother - her father - her mother - and her Single brother Walter Ridge who died unmarried, and my own birth prior to 1851.

As the letter from you there is a statement that no children born after 1851 can inherit

As the payment is for homes and lands in the Cherokee Nation East, the death of any to whom that payment is due or to his or her heirs, ought not to invalidate such payment as in Instance

Therefore it seems to me I am entitled to my part of all those claims

Of Course the half of the Shares of Major Ridge, his wife Mrs. Susannah Ridge and their unmarried son, Walter Ridge would be divided between the descendents of John Ridge, He had seven

Children who were all born in the
Cherokee Nation east before 1836 and removed
with their parents. As they may not have
documents at hand I am going to give
the names of any cousin to help in the
identification of their rights to pay-
ment to their descendants.
Also of the children of Elias Boudinot
who was the son of Daniel Watie own
brother to Major Ridge. And of the Child
en of Daniel Watie; of his son Stand Watie
and of his daughter Mrs. Nancy Watie
Whalen, their brother and Sisters as far
as I know about them and their family
history as a clew to you to notify
their heirs of what is due them.
The time is short for Setting right
any mistakes I have made in filling
in my document of Claim; only to
the end of Jan 1867

Please answer me as to my
rights as claimant? How many acknowledged
and what the amount will be?

Under my mothers will I was left her
Sole heir, as the care of her, her support
and payment of her debts had devolved
upon me, and upon my young Sons
Forest Waldeman McNair and George
Percival McNair. They supported their grand-
mother and myself by hunting and farming
her land from their child hood and very
early boy hood until her death - Then for
in acknowledgement of this, She left all
She had to me for them - They were only
respectively 15 and 13 years old when
She died. But as She had no expecta
tions of her Cherokee Claims ever being
paid, there is nothing of them said in her Will
of which I have a Copy, and which is on
record at Wallisonth Chambers Co. Texas
I have also a copy of the Dinner for
which She sued from my father George
W. Percival in Galveston about the year
1851 - or in 1850, Her youngest child by
that first marriage having been born on
the 18th Feb. 1849. In the dinner

He married again in 1852 while one was in Arkansas to settle up the estate of Mrs. Sarah C. Ridge and her son Walter Ridge lately deceased, mother and single brother of my mother

Madam:

Replying to your letter of November 18, 1909, you are advised that you and your two sons, Forest W. McNeir and George P. McNeir, are enrolled for participation in the Eastern Cherokee fund, but I cannot state, at this time, when this fund will be distributed.

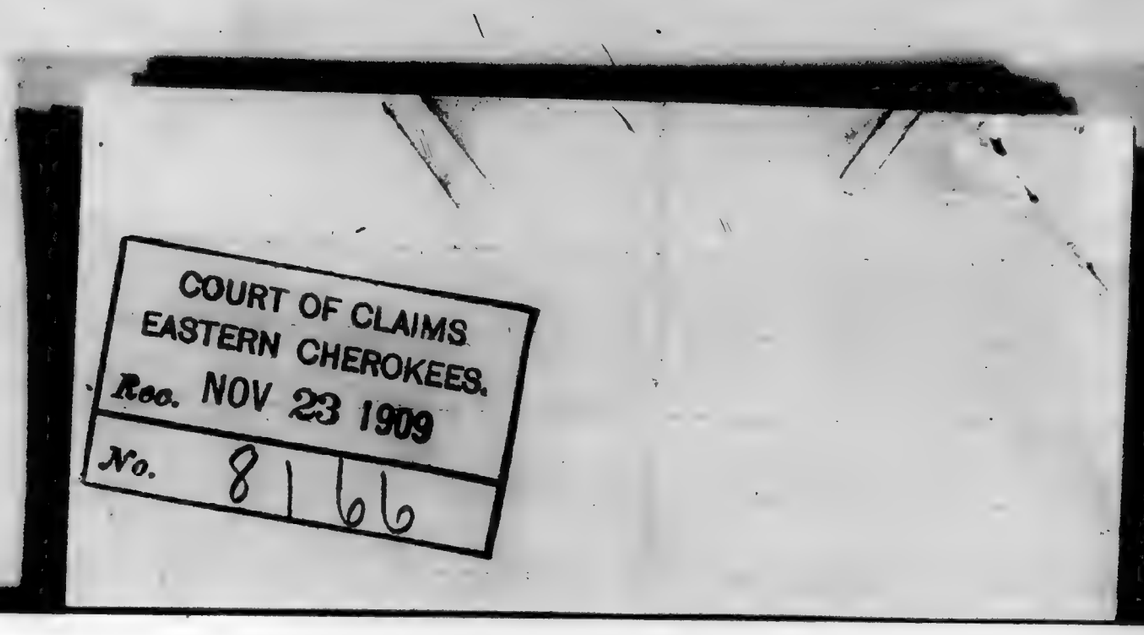

However, the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on, and the roll finally approved by the Court no money can be paid.

The amount each enrolled person will receive cannot be ascertained until the final roll has been approved and the exact number enrolled determined. However, it will probably not amount to over $130.

Very respectfully,

Special Commissioner.

IN RE #8183.

By reference to letters filed herewith marked "A", it will be seen that claimant claims his Indian descent through his mother and maternal grandfather, Jas. Riley. The only ancestor that he claims was ever enrolled is an uncle by the name of John Riley, who he says, was on the roll of 1835.

In response to Question 8 in said letter, claimant states that in 1835, John Riley was living in Orange Co., N.C., which is approximately 200 miles from the Cherokee domain as was constituted in 1835. The John Riley who appears on the roll of 1835, page 17, was enrolled in Alabama and consequently it is not at all likely that he is the uncle mentioned in claimant's application. And in any event, if the John Riley on the roll of 1835, was the uncle as claimed by applicant, he was very probably a white man, as it will be seen by referring to said roll of 1835 that one member of the family was enrolled as an intermarried white person. Claimant's mother was born in 1821 and claimant himself in 1856, and there is nothing to show that either he or his mother or even his grandfather ever lived with the Indians as members of the tribe, either before or after 1835, or took any part in any of the Cherokee treaties or deliberations.

In Question 10 of said letter, applicant in reply thereto states that he is recognized as a white man . He states in reply to Question 5 in said letter, that he has never been enrolled by the Dawes Commission.

Margaret E. Crowley (#8829) is a full sister of claimant and should be rejected for the same reason as above set forth in reference to #8183.

Claud H. Cooper #24313 is a son of claimant and should be rejected for the same reasons as above set forth, his mother being a white woman.

June 10, 1907.

Sarah V. Davis,

Elwood,

Kansas.

Madam:-

Your letter of May 24, 1907, relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, is at hand.

You are advised that the applications have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 23,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Very respectfully,

Special Commissioner.

Madam :

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state why your parents were not enrolled in 1851? Give the names of your grandparents on both sides, and state whether any of them were ever enrolled as Eastern Cherokees? The name of Abraham Reed does not seem to appear on the Rolls, and I, therefore, ask if you claim the right to participate in this fund through any other source.

Give any other information you may have tending to establish your right to participate in this fund.

An early reply will be appreciated.

She is about 75 or 80 years old. Don't know where she was born nor raised. She lives among the white people and associates with the white people. They recognize her as white with some Indian blood. Don't know how much she claims. She descended from the Cherokees. My great grandfather was a full blooded Cherokee Indian. Johnnie Nash was his name. My mother never lived with the Indians that I know of. I don't know that she was ever enrolled. She never received any land or money from the government. My mother had brothers and sisters. France Lucas was a brother of my mother. I suppose he is dead. Pate Lucas was another brother. I did not make application to the Dawes Commission.

Reasons: It does not appear that any ancestor was ever enrolled or that any ancestor was party to the treaties of 1835-6 & 1846. Shows no connection with the Eastern Cherokees. The family names are common among the Creek tribe and it is possible that these people are Creeks. They are not Cherokees.

Dear Sir:

In re No. 7236, J. M. Lutts.

The correspondence of this office shows that applicant is a cousin of John A. Lutts, of Waterloo, Alabama, who has probably made application. The claim is through the father, Alexander Lutts. It is also suggested that the affidavit of one Tom Moore was taken by your office when in Alabama, and the same will probably be on file with the claims of the Lutts family.

Kindly consider this information in connection with said claim.

Very respectfully,

W. W. Wright

My name is John H. Sharp and I reside at Waterloo, Ala. I was born in Wayne Co., Tenn., in the year 1855. I claim relationship to the Cherokee Indians through my mother, who was a grand-daughter of William Berry, whose wife was a Weatherford. My wife, Lizzie J. Sharp, No. 42234, is also a claimant, and claims through the Indian name and descendant of the Churchwell family. Zebidee M. Sharp (42391) claims through the Churchwells, also does Henry Sharp (42326), and also does John W. Sharp (42327). William A. Sharp (42372) is a descendant of the Weatherfords; W.M. Sharp (42392), my son, and Lillie B. Pickins (42390), my daughter, both claim through the Weatherford and Churchwell family.

Zebider M. Sharp, being first duly sworn, deposes and says:

My name is Zebider M. Sharp and I reside at Waterloo, Ala. I was born in Wayne Co., Tenn., in 1853. I have lived in this section nearly all my life. I claim relationship through my mother, who was a quarter Cherokee Indian. Her father, Payton Churchwell, was a half Cherokee Indian. My mother, Nancy Sharp, who was Nancy Churchwell, was born in Wayne Co., Tenn. in 1820. I can remember when a boy of seeing Payton Churchwell, he was a man with dark hair, dark eyes and straight hair and was dark complectioned. My mother was also. They were always recognized as white people. Payton Churchwell died about 1859, in either Wayne Co., Tenn. or out in Arkansas. Payton Churchwell, during 1851, resided in ayne Co., Tenn. I have never heard of our family or grand-parents ever having lived with the Indians, and I do not remember any Indians ever having visited our home. My mother never received any money or allotment from the Government that I know of, and I know of no enrollment of my mother or grand-father as Indians. If they had received such I think I would have heard of it. The Churchwell family were always recognized as Cherokee Indians. When I was a boy the boys around would always call me an Indian and say that my parents were Indians, but I was told not to mind it. This is all I know in reference to the case.

My mother was born in either Hardin or Wayne Co., Tenn., about the year 1830, and she was about a quarter Cherokee Indian. I remember her very well and she had all the characteristics of an Indian. Her father's name was Joel Weatherford, who was a half Cherokee Indian, and his father was named William Weatherford, who was a full-blood Cherokee Indian. My people have never received any money or allotment from the Government, that I know of. The Weatherfords have always been recognized as Cherokee Indians. My mother could speak the Cherokee language, but her sister, who was my aunt, often spoke in the Cherokee language. My mother's father resembled an Indian very much, was recognized as an Indian and could speak the Cherokee language. Our family have always lived in and around Hardin and Wayne counties, Tenn. My grandfather came into that part of the country when it was a wild settlement and the creek up there took the name after him, being called Weatherford Creek. I dont remember of my parents or grandparents ever having been enrolled as Indians.

Sir:

Relative to your application No. 8198, by which you claim the right to participate in the fund arising from the decree of the Court of Cliams in favor of the Eastern Cherokees, I beg to inform you that out of the twenty-one questions asked in the application, you have answered but three, and only partially answered those. All the substantial questions received no answer, and the few names you did mention do not seem to be upon the Rolls. Of course, it will be impossible for this office to determine whether your parents or grandparents, or any other ancestors were ever enrolled as Eastern Cherokees unless you can give us their names.

Before finally rejecting your application I have decided to give you a further opportunity to furnish us with some information which will tend to establish your right to participate in this fund. Will you, therefore, at your earliest convenience, answer the following questions:

1. Give the names of your father and mother?
2. Where did they reside in 1851, if living at that time?
3. Are your father and mother living at the present time, and if not, give the dates of their death.
4. Were they ever enrolled for annuities, lands or other benefits; if so, state when and wgere?
5. Give the names of your brothers and sisters?
6. Give the names of your aunts and uncles?

7. Give the names of your grandparents on both sides, and state where they resided in 1851, if living at that time?

8. Have you ever been enrolled for annuities, lands or other benefits?

Give any other information that will tend to establish your right to participate in this fund.

Very respectfully,

Special Commissioner.

Sir:

That I am 75 years of age. I claim my Indian descent through my mother. My father was a full blooded white man. My wife is a white woman. My mother, I think, was born in Arkansas. She went to Tenn. before I can recollect. She moved back to Arkansas when I was a boy, in Little River Co. She died there. She was about 65 when she died. I nor my mother nevr lived with the Indians as a member of the tribe. My mother claimed to be 1/8 Cherokee Indian. I am recognized as a white man in the community. I don't know whether I or my mother were ever on any rolls. I nor she never received anything from the government by reason of our Indian blood. I did not make application to the Dawes Commission because I did not know anything about it. Only one of my children has filed application to participate in this fund. I have other children.

a power of attorney to draw
my money if I gained

and at that time was in

only had a starting
get my allication in and
get a trial but I have Written
2 letters to Mr Edmonston
and have not hear any thing
from him and I hear that
he intends to give me some
trouble in case I am
successful in geting on the

so I ask that the money
due me and my children
if any be not paid to

Lawyer or Anyone Else
Who may try to draw it
Except my Self and Children
then if he will Come up
as soon as Attorney Should
do I will pay him for his

if he would not let me hear

June 12, 1907.

Joseph T. Davis, Esq.,
Clayton, Ga.

Sir:

Your letter of May 27, 1907 relative to the Eastern Cherokee enrollment is at hand, and in reply you are advised that each adult claimant should file a separate application, and it would not be sufficient for the father to file an application in such cases. The child, however, can refer to his father's application for the particulars necessary to complete his claim, but he should fill out the application as far as possible from his own information.

You will find enclosed six Eastern Cherokee original application blanks, three supplimental blanks, and an abstract of the decree.

Very respectfully,

Special Commissioner.

App. No. 15599 - 8213

Hannah C. Green being first duly sworn, deposes and says:

I am 41 years of age. I was born in this Territory. I got my Indian blood through both parents. My father was John Ross. He was not a chief. He was born in the old nation in the East. If he were living now he would be about 80 years old. I don't know in what year my father came from the East. My aunt told me that he was an Emigrant. My father was living in the Creek Nation at the time of his death but he never got any money from the Creeks and never received any benefits from the Creeks. My father had no brothers that I know of, but I think he had some half brothers. I don't know their names. My father lived in Saline District, I think. My father came West with his mother. I don't know whether his mother came at that time or not. Lewis Ross was the name of my father's father. ~~My grandfather died many years before~~ He died and was buried in this Territory. I don't know the time of the death of my grandfather. I don't know the names of any of my grandfather's brothers. Malinda Ross was the name of my grandmother on my father's side. I don't know whether she came out here with the Old Settlers or not. She came out with the Emigrants, I guess. My mother died when I was an infant. My mother's name was also Malinda. I don't know in what district she lived before she married my father. Probably my mother lived in Saline District in 1851. My mother's maiden name was Rogers. I don't know the names of any of my mother's brothers and sisters. My parents were probably not married in 1851. My mother's father was Will Rogers. I think that all of my people lived in Saline District. Will had a brother by the name of Joe Rogers. I don't know the name of my grandmother on my mother's side. I don't know what my people were - Emigrants or Old Settlers. (Witness was asked innumerable questions but is unable to answer any of them).

Look up application of Louis R. Nash, Ft. Gibson, Okla. & Hubbard Ross, Ft. Gibson, Okla., also Mrs. Fannie Nelan, Ft. Gibson, also Miss Bell Ross.

John Wilkinson, ----- being duly sworn, deposes and says:

My name is ---John Wilkanson. I am 59 years old. I lived in Saline District before coming here, which was before I was married. Cherokee Roll No. 11210, Dawes Commission. My wife is Lizzie Wilkinson Roll No. 27742. I was enrolled before this. I got bread and strip money. Every time there was an enrollment I was enrolled. I don't know anything about Hester. I cannot tell whether I was enrolled in 1851. I claim through my mother, Lucinda Childres. She died when I was small. They lived in Saline District. I don't know whether she was enrolled in 1851. I don't know just where they came from but have heard that they came from Georgia,- just when I cannot say. I have heard my people talk about the treaties of 1835-6 and 1846. I claim Indian blood also by my father. My grandmother on my mother's side was Nancy Childres. She claimed to be Indian. My grandfather was Lem Childres. My father was Tom Wilkinson. I cannot tell whether my father was enrolled in 1851 but have heard them talk about the payment at Fort Gibson. I do not know whether he was born in Saline Dist. or in Georgia. His people were born in Georgia. My father drew under Old Settler but my mother was Emigrant. I have a son Lewis Wilkinson. He was enrolled by the Dawes Commission. I have two more children, a daughter under age. I have no brothers and sisters. I have not any aunts living. I had about five aunts on my mother's side in 1851. They lived in Saline Dist. before the war: Katie Childres, married Parris; One aunt was named Polly, she married a man by the name of Palmer. ~~I had an~~ Lem Childres had one brother who married in the Creek nation. I think Lemuel Childres was enrolled in 1835. My mother had a brother Levi Childres. Eliza McNair, nee Eliza Childres, was my aunt, sister to my mother. I know of no reason why my grandfather's children should not have been enrolled in 1851,- that is Lem Childres.
